SCHOOL SONG

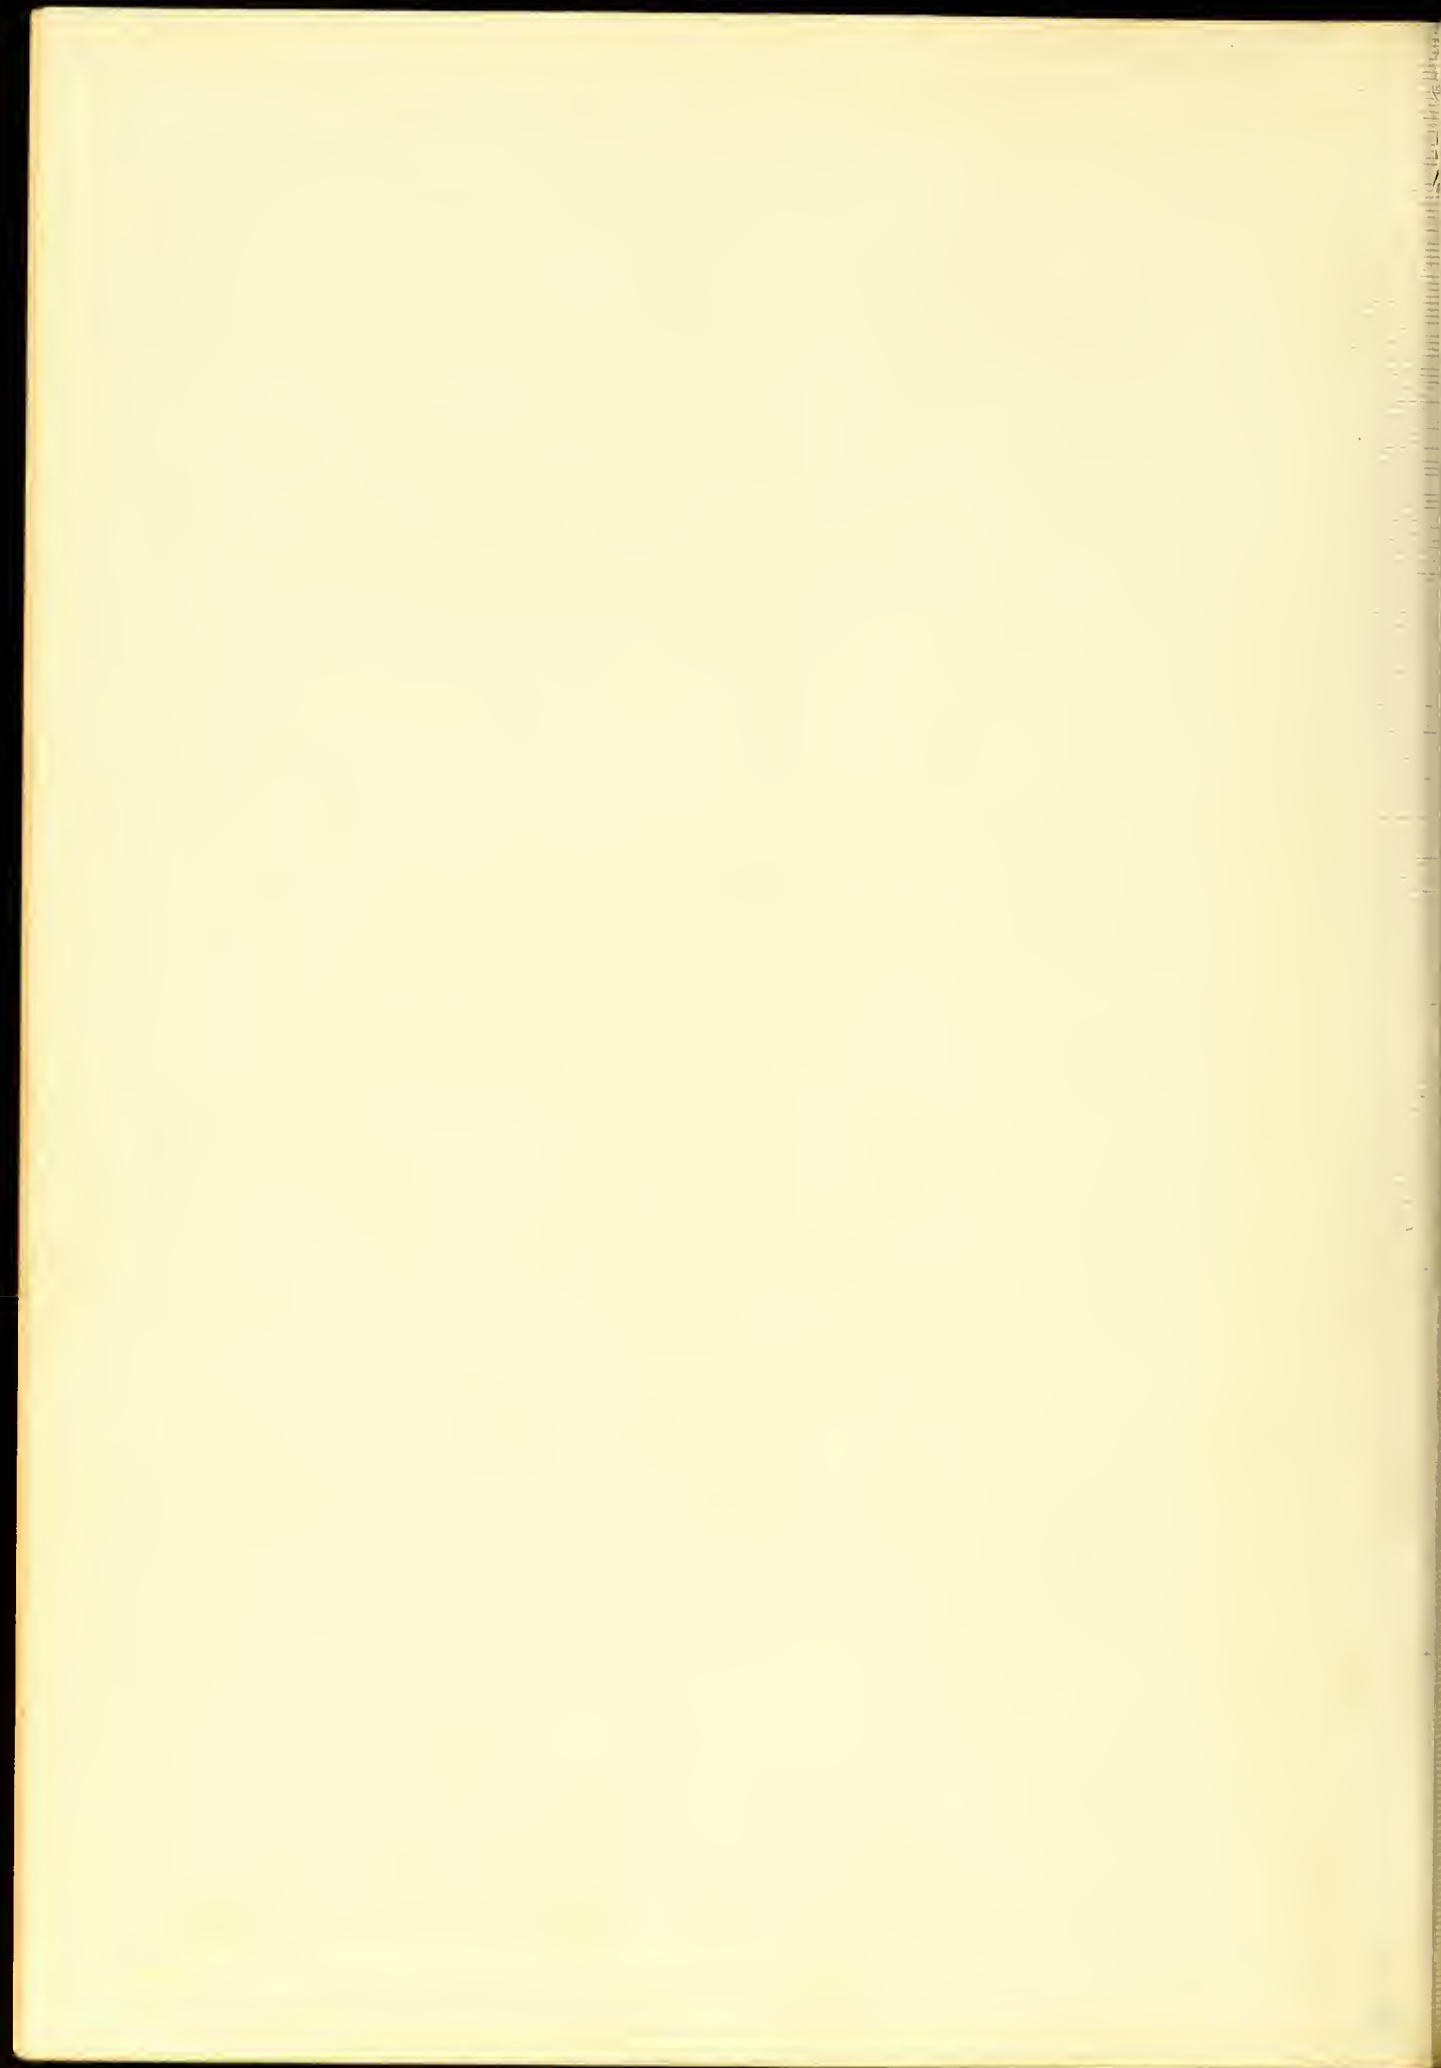

You've all heard of the wonderful high schools,
In the counties all over the state,
You've listened to musical programs,
Excelled in the art of debate.
It's fun to be joyous and carefree,
But loyalty is better for me.
So let us all stay, and work for the day,
When Farmington High tops the list.

Here is to Farmington, Farmington High School,
We'll ever be loyal to you.
We're proud of our clubs and our sponsors,
We'll fight for our ball teams too.
Whatever you do, we're right with you,
It's Farmington right to the end.
So when you all go, then you will all know,
Her honor we will always defend.

DON'T QUIT

When Things Go Wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must--but don't you quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won and he stuck it out;
Don't give up, though the pace seems slow--
You might succeed with another blow.

Success is failure turned inside out--
The silver tint of the clouds of doubt--
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit--
It's when things seem worst that you mustn't quit.

Dear Sherrill,

It has been a
Pleasure being on the
ball team with you.
Keep up the good work
and you will do fine.
The best of luck always.
a Friend,
Harold Seate

HISTORY

Twelve years ago, forty mischievous youngsters entered the first grade under the direction of Miss Pierson for the first half year, and Miss Alexander for the remainder of the year. As we progressed through primary and grammar grades, we lost several members of our class.

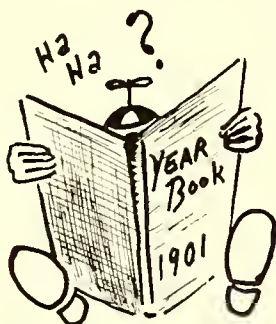

When we entered the ninth grade, we had thirty five "bright" students who were just starting over fool's hill, as one of our teacher's often told us. Miss Henderson, our home room teacher, helped us over our rough spots, which seemed impossible to us. We took an active part in all the clubs and activities, as we continued through high school.

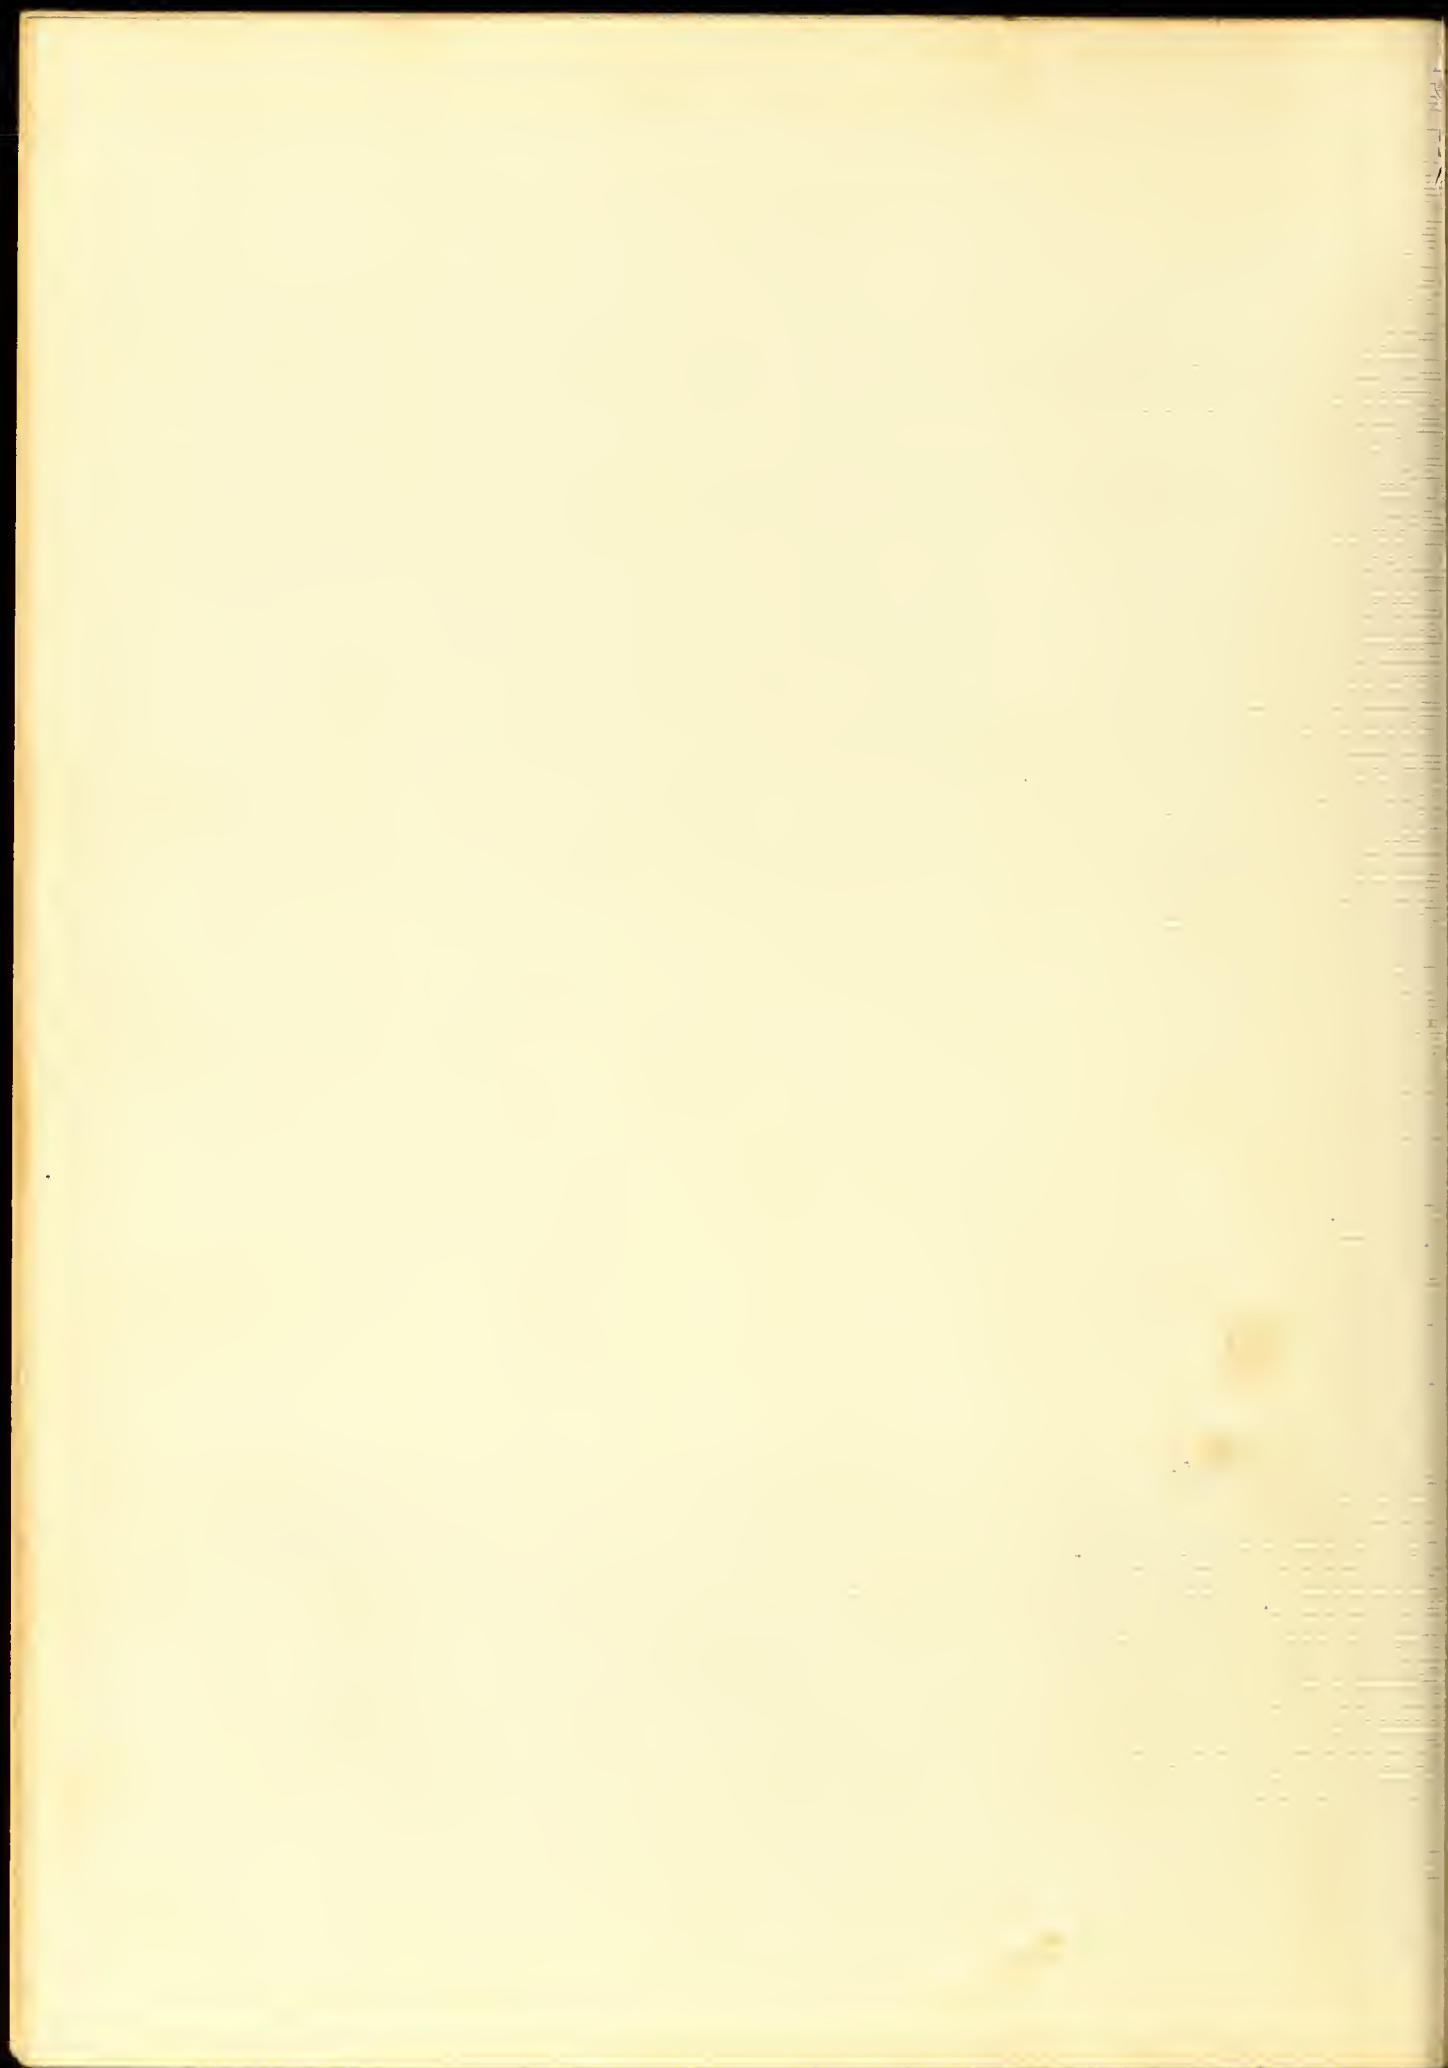

After the first year of high school, everything seemed easier to us. We had quite a time keeping home room teachers for that year. We had three, Mrs. Davis, Mrs. O'Brien and finally Miss McBrayer.

We had Miss Ayers as our eleventh grade sponsor, and we had to work hard to finance the Junior-Senior Banquet, which was held at the Vance Hotel, in Statesville. Under her direction, we also gave a Junior Class Play.

Now, we are Seniors, with Miss Ayers again as our home room teacher. We find it hard to realize that we have about come to the end of our high school journey. The high lights of this year was the day we received our rings, the day we ordered our caps and gowns, invitations, diplomas, and gave our Senior play.

Somewhere along the line, we lost thirteen of our members, so there are only eighteen in the graduating class. With sad faces and many fond memories, we say good-bye to dear old F. H. S. We hope that the coming Seniors have as much fun and happiness in school as we have had.

SENIOR PLAY

On the night of February 23, 1951, the Seniors gave their play entitled, "Worrying Willie." We had twelve characters in this play, five boys and seven girls. It was a complete success.

GRADUATION

On the night of May 25, 1951 the dream of eighteen Seniors came true. Graduation had come at last.

We listened to the speaker's very interesting address. After the speech we received our long awaited diplomas. As we walked down the aisle we realized that we had at last reached the end of our high school days.

JUNIOR-SENIOR BANQUET

One of the greatest events of the year for the Seniors was the banquet given by the Juniors. Everyone enjoyed the evening immensely. The girls were lovely in their evening dresses and the boys were very handsome in their dress suits.

HALLOWEEN CARNIVAL

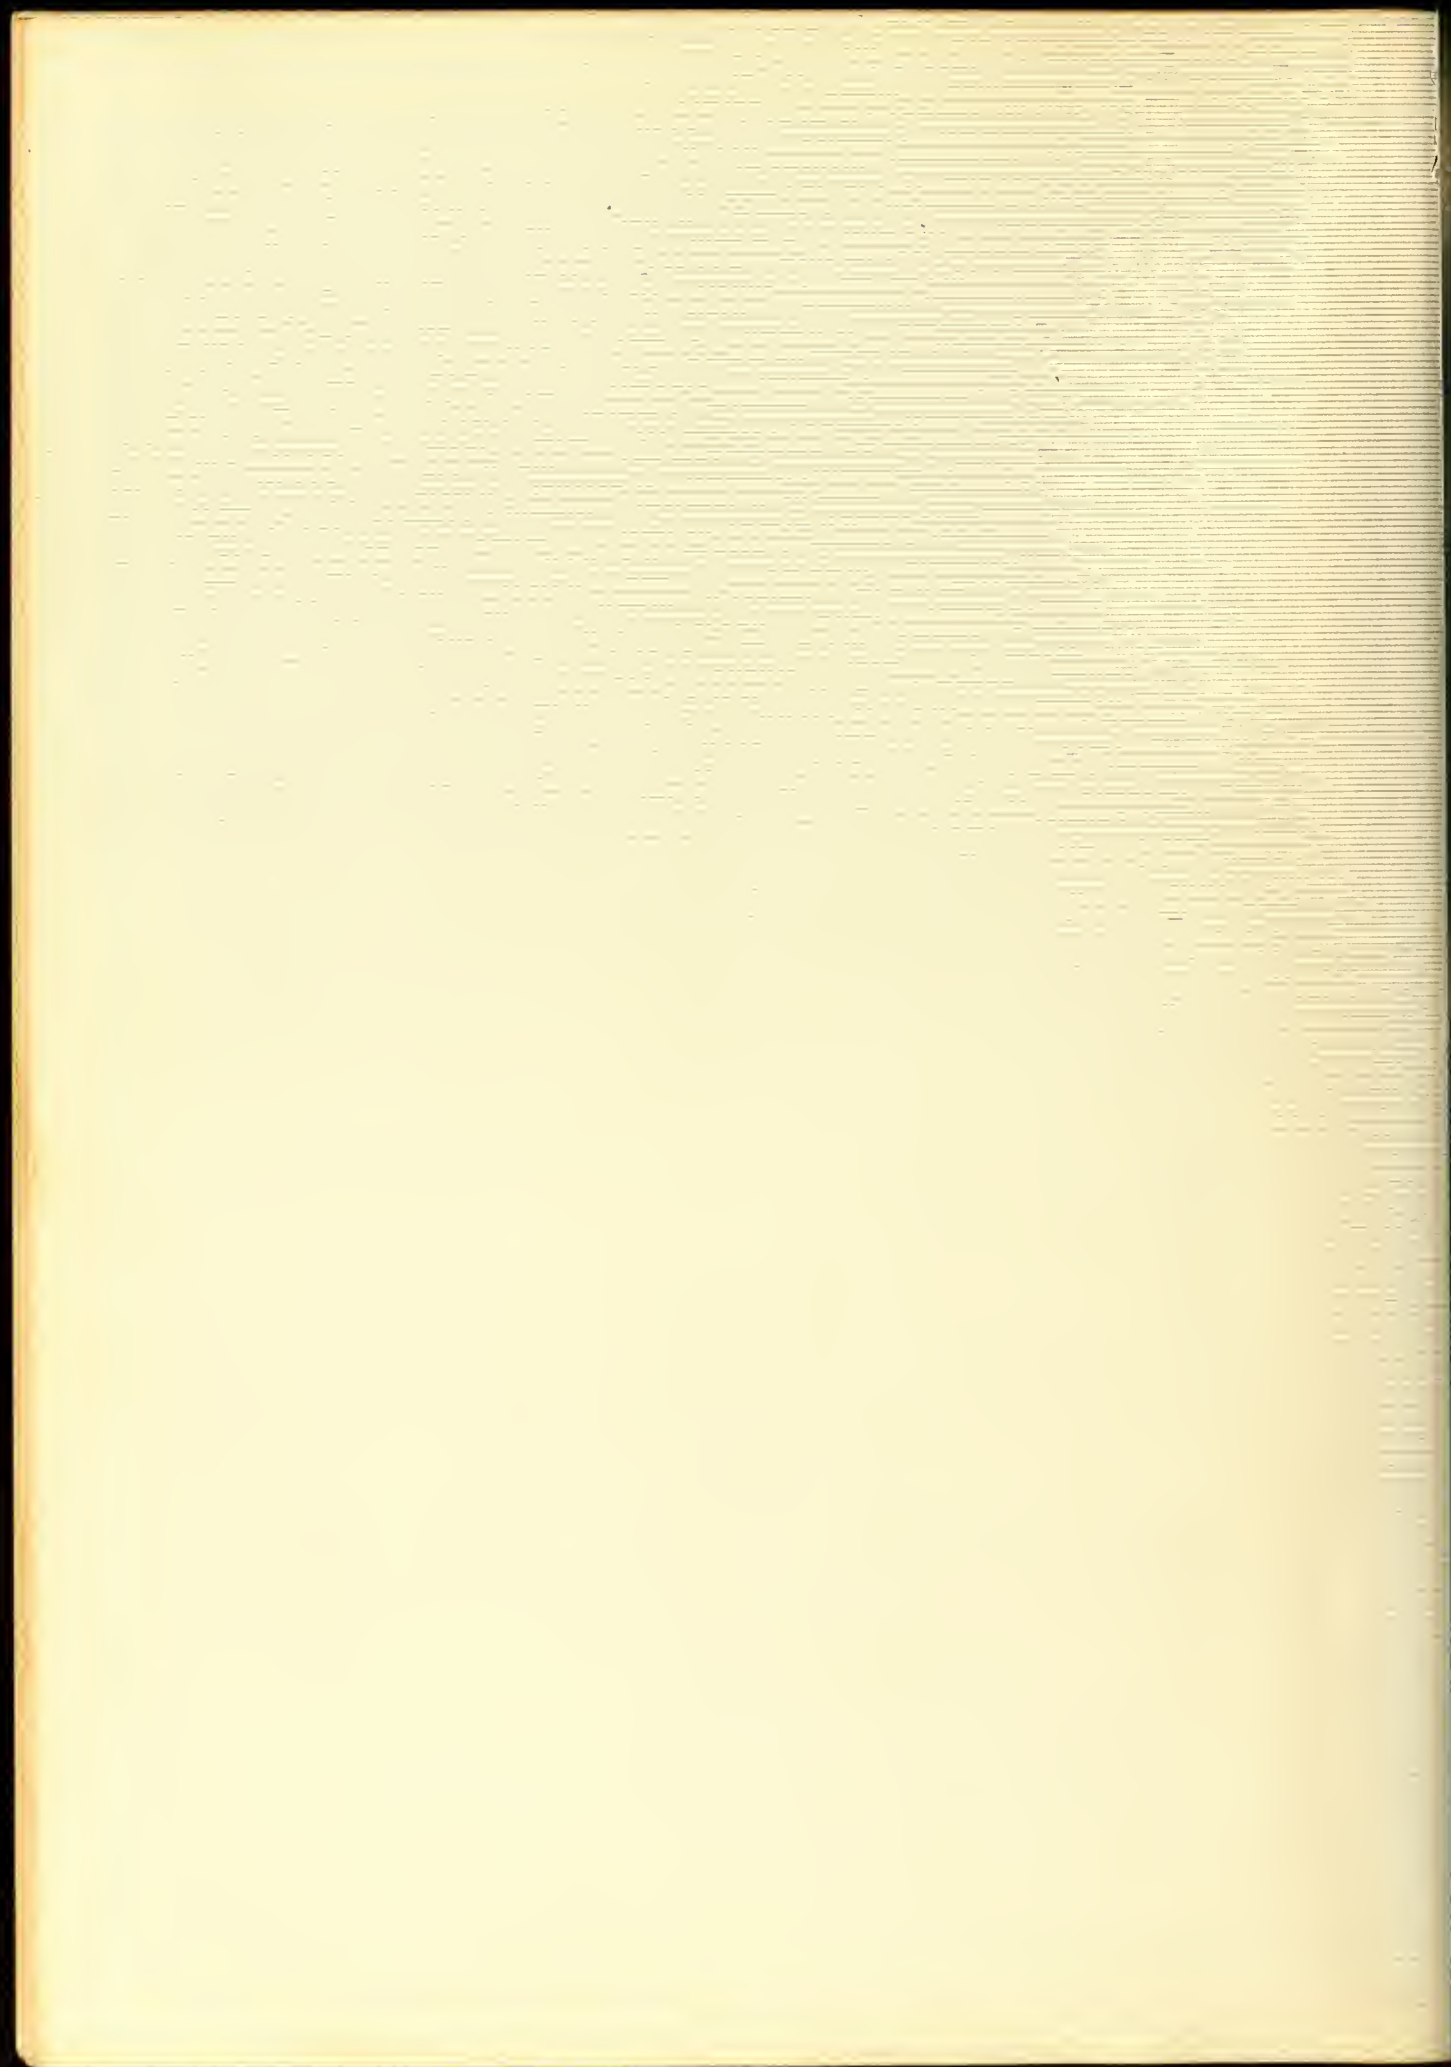

On the 30th of October the annual Halloween Carnival was held. It was an evening of fun and gaiety for all who attended. The largest attraction was the crowning of the queen and kings. Those crowned were: Lucile Lakey and Bob Smith for the high school; Patsy Cline and Jimmy Carter for the elementary grades; Barbara Oakley and Billy Ellis for the primary grades.

SNEAK DAY

In the spring the Seniors had a Sneak Day. On this day they exchanged their books for a glimpse of industrial Winston-Salem. They visited R. J. Reynolds Tobacco Factory, Journal and Sentinel, and P. H. Hanes Knitting Company. After this they topped it off with a picnic supper at Reynolds Park and a movie at the Carolina Theater.

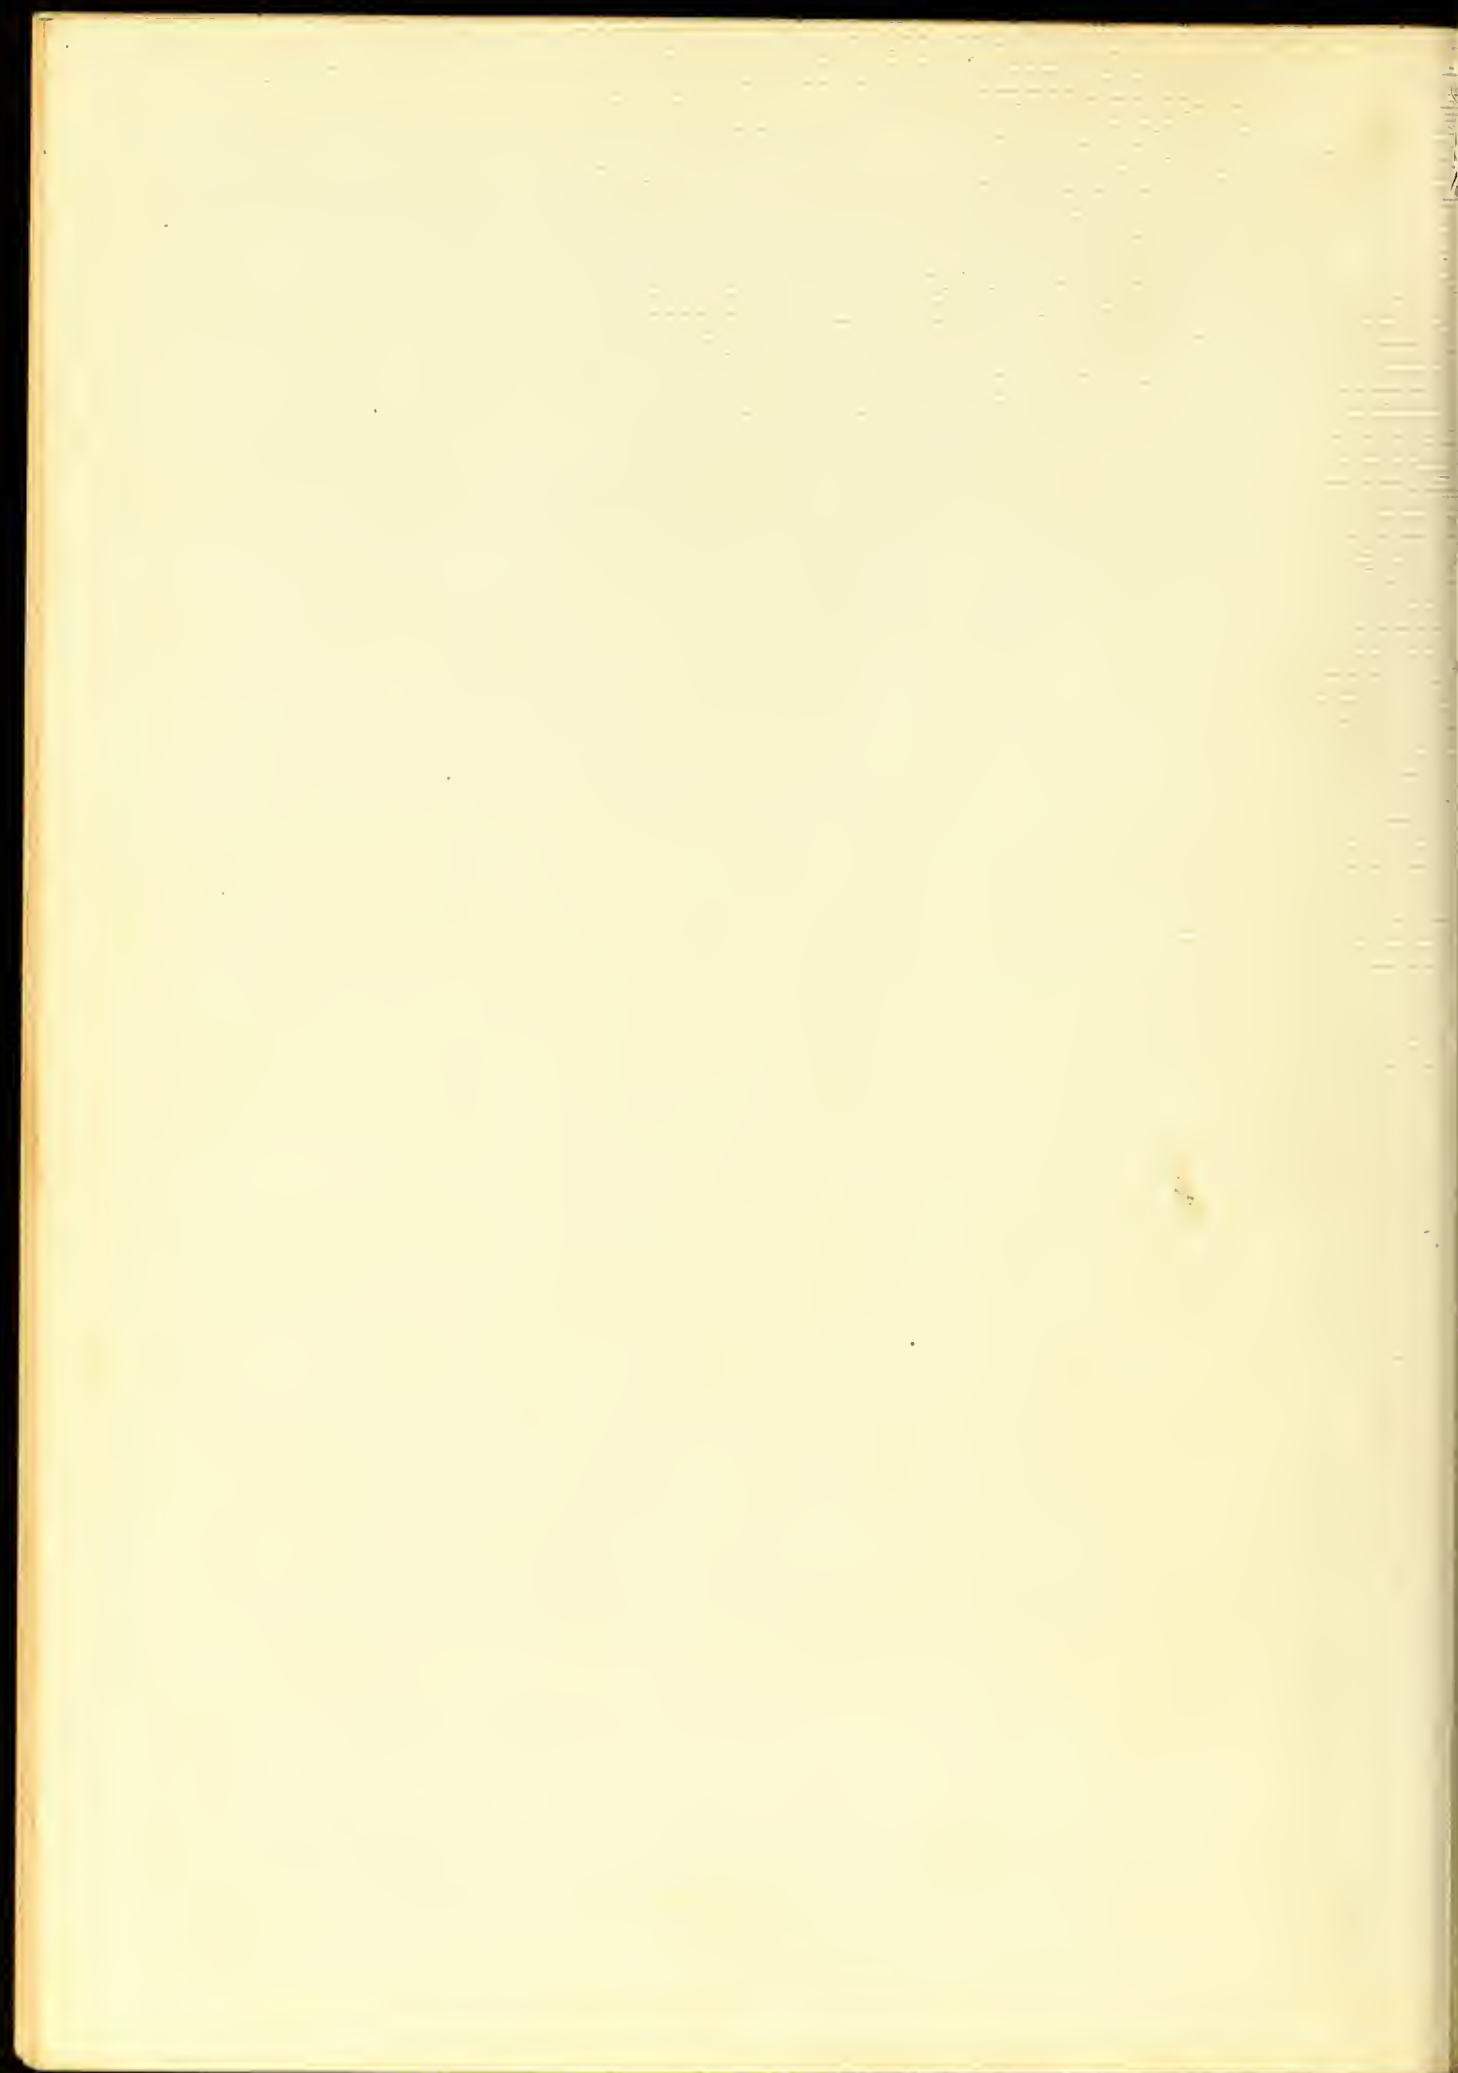

VALENTINE FESTIVAL

The Juniors sponsored a Valentine Festival on February 14, 1951. The purpose of this was to raise money for the Junior-Senior Banquet. The chief attraction of this was the crowning of the Valentine Sweethearts.
